Tá deis iontach againn anois borradh a chur faoin nGaeilge mar theanga pobail agus todhchaí na teanga a chinntiú don chéad ghlúin eile. Tá rannpháirtíocht agus tacaíocht an phobail riachtanach le go n-éireoidh linn aidhmeanna an phlean a bhaint amach.

An Ghaeilge and the language plan belong to the community. We now have a great opportunity to protect and grow an Ghaeilge as a community language and to ensure its future for the next generation. Community support and participation is essential to achieve the aims of the language plan.
